**FERRETTI 560 'YACHTS (R)EVOLUTION': EXPERIENCE A NEW FEELING OF LIFE ON BOARD.**

Ferretti Yachts will introduce at the Festival de la Plaisance of Cannes 2009 the new Ferretti 560, which represents the "yachts (r)evolution" conceived to experience a new feeling of life on board.

Through this new model the shipyard aims to consolidate and continue the evolution process of flying bridge range under 63 feet. This renewal in the last two years involved the launch of new yachts that became "icons" of innovation in design, like Ferretti 470, Ferretti 510 and Ferretti 592.

**THE NEW JEANNEAU SUN FAST 3200: A SAILOR'S DREAM**

This European award winner is what performance sailors have been dreaming about... Sailing, at its core, is an irrational enterprise. And that's why it is so seductive, so addicting. Sure we describe boats in analytical terms in stern-faced reviews but let's face it,

dreams and the stuff they're made of are as important to the sailboat industry as the development of new designs and technologies. With this in mind, enter the new Jeanneau Sun Fast 3200. This is an infusion-molded, vacuum-bagged dream machine. Designed by Daniel Andrieu, Sun fast 3200 does not develop into a formidable one design class.. The 3200 is a flat out flyer, it is designed for ocean sailing.
