CRUISING ON

In the elite yachting category, only one name has an unparalleled status—Riva. They are one of the oldest and the most successful powerboat builders in the world creating beautifully crafted boats. It's a status that's been built over more than 160 years of delivering supreme quality, and committing to an unwavering dedication to excellence. Riva's portfolio features 13 luxury yachts, from the 27 footer Iseo to the mega yacht Riva 115 Athena. After creating a buzz all over, finally, Riva docks in India!
