**G**autam and Anju Dutta, of Marine Solutions along with Marco Segato, Vice President Sales, Corrado Del Fanti, Director and Gulseppe Zecchin, Manager Sales, Ferretti Yachts hosted a grand launch party at a SoBo five star hotel on Tuesday night to mark the entry of the super luxury yacht Ferretti in India. The true stars of the evening were the yachts — The Ferretti 550 and The Ferretti 460 which were beautifully lit up, as they were docked at the harbour just off the Gateway Of India, Mumbai.

As guests walked in, they were greeted with the Ferretti logo reflected in laser on the Gateway of India. The unveiling of the yachts was dramatic as the yachts anchored at Gateway suddenly lit up accompanied by a dazzling firework display that lit up the Mumbai skyline. Louis Banks played a special symphony at varied tempos to match the pace of the Ferretti yachts being shown zipping across the waters on the huge screens at diverse speeds. Post wine and hors d'oeuvres the guests moved to dinner. Each table for the sit down dinner had an elaborate centerpiece of candles and white flowers. The four course menu comprised of amuse bouche, asparagus charlotte and a cappuccino, grenadine sorbet, mascarpone and edamame ravioli truffle essence for the vegetarians and fresh goose liver, apricots and drambie compote. The meal ended with a flaming dessert; maracaibo and hazelnut bombe, petit fours and coffee. The elegant event was organised by Sharmilla Khanna.

Some of the guests who attended the evening were Vinod and Archana Mittal, Feroze Gujral, Ramona Narang, Pinky Reddy, Queenie and Raja Dhody, Laila and Ricky Lamba, Arti and Kailash Surendranath, Sangeeta and Madan Assomull and Sujay Chauhan.
