

FERRETTI YACHTS 881

Generator

27 KV :

20 KV :

ENGINE

2 x 2030 hp MTU

MAIN SIZES

Loa= Overall length (standard ISO 8666)	27.07m	88ft 10in
Lh= Hull length (standard ISO 8666)	26.94m	88ft 4 in
Lwl= Waterline length (boat fully laden)	22.35m	73ft 4in
Maximum beam	6.72m	22ft 1in
Depth under propellers (boat fully laden)	2.18m	7ft 2in
Displacement unladen	81.00t	178574 lbs
Displacement laden	92.97t	204964lbs
Maxium number of persons on board	20	
Classifications	RNA S.p.A-100-A-1.1 "Y"	

TECHNICAL DATA

Hull type: 12° deadrise warped hull with spray rails		
H= Overall height from keel to hard top	8.00m	26ft 3in
Ht= Minimum transport height from keel	7.10m	23ft 4in
P= Pulpit on the transom	0.13m	0ft 5in
Fuel tank capacity	9000lt	2378US gal
Water tanks capacity	1320 lt	349 US gal

## TECHNICAL DATA

.Length overall ISO 8666.....	Loa = 27,03 mt. ....	88 ft. 8 in.
.Length of the hull ISO 8666.....	Lh = 26,94 mt. ....	88 ft. 4 in.
.Length on waterline, boat fully laden.....	Lwl = 22,15 mt. ....	72 ft. 8 in.
.Pulpit on the transom.....	0,09 mt. ....	0 ft. 4 in.
.Maximum beam .....	6,72 mt. ....	22 ft. 1 in.
.Overall height from keel to Roll Bar .....	Hmax = 7,85 mt. ....	25 ft. 9 in.
.Minimum transport height from keel.....	Ht = 7,00 mt. ....	23 ft. 0 in.
.Draft (boat fully laden) .....	1,92 mt. ....	6 ft. 3 in.
.Displacement, unladen .....	73,2 ton. ....	161378 lbs.
.Displacement, laden .....	84,0 ton. ....	185188 lbs.
.Fuel tank capacity .....	9000 lt. ....	2378 USgals.
.Water tank capacity .....	1320 lt. ....	349 USgals.
.Engines .....	2 x MTU 16V 2000 M91 potenza 2030 mHp / 1492 kW a 2350 giri/min.	
.Warped hull with 12° of deadrise and spray rails .....		
.Cabins .....	4	
.Bathrooms .....	6	
.Crew cabin with toilet.....	2	
.Maximum number of people on board .....	24	
.Safety equipment.....	16	
.Construction material: Multiaxial fibreglass .....		

## Extra Accessories:

- Sun covers in black mesh for foredeck and sides
- Filter for fuel: double with by-pass
- Tropical air conditioning in salon + 4 cabins + 2 crew
- Hydromassage bath tub with heater on fly
- Hydromassage bath tub in master bathroom
- TV 43" with electrical raising device
- Control station in cockpit fixed with cover
- Curtains: electrical raising from main deck
- Curtains: electrical raising from master cabin
- Fire fighting system: smoke alarm for each cabin (4 cabins)
- Mosquito mesh (for all portholes)
- Lighting for stairs towards cabin
- Shore fresh water intake
- Lights: undertight underneath spolier
- Mirrored windows in cockpit -diff-
- Stern thruster hydraulic  (double propeller)
- Stabilizers Anti Rolling Gyro

**FERRETTI 881**  
**EUROPEAN STANDARD EQUIPMENT**
**Hull and deck**

230V shore line cable mt. 15 and 380V Glendinning mt. 20  
 Access to the aft swim platform through steps, both covered in teak  
 Aft sliding door in stainless steel  
 Anchors Pool (2 x kg. 90) with 2 chains (mt. 120 each, diameter 13 mm) with washing  
 Boat hooks (2)  
 Bow pulpit with side rails  
 Canopies for protection of front and side windows in the bridge  
 Cleats mid-ship (3 each side)  
 Cockpit chairs (8)  
 Cockpit furniture with locker  
 Cockpit lights  
 Cockpit sink with hot and cold water  
 Cockpit table in teak 1600mm  
 Cushions with backrest for cockpit benches  
 Electric windlass 3500W with controls in foredeck, bridge and flying bridge (2)  
 Electrohydraulic folding ladder to water in the aft swim platform  
 Electrohydraulic telescopic gangway in stainless steel and teak with remote control  
 External acoustic alarm for bilge water level fore, garage and engine room  
 Fenders (6) and spherical fenders (6)  
 Fire hose outlet on starboard  
 Fire hose outlet with salt water in the cockpit and for peak  
 Foot-controlled capstans (2) with switch (1500W)  
 Garage at stern with storage for jet ski or tender (optional):  
 jet-ski (stand-up models): Kawasaki 800 SX-R or Yamaha SuperJet 700 type  
 water bike, two-seat models: Yamaha Waverunner GP1300R or SeaDoo 3D DI type  
 water bike, three-seat model: Yamaha XL700 type  
 tender up to 3,20m of length  
 Garage with electrohydraulic hatch with leak on the internal side  
 Horn with compressor  
 Hydraulic bow thruster (58 HP)  
 Ice maker in the cockpit  
 Indirect deck lighting  
 Ladder to the Flybridge in fibreglass and teak  
 Mooring chocks aft, fore and lateral rollers  
 Mooring line mt. 70  
 Mooring lines (6) of m. 12  
 Navigation lights  
 Perimetrical curtain rod for canopies  
 Remote shut off of engine fuel hoses and generators (manual and controlled from the fire fighting system)  
 Shower with hot/cold water at swimming platform (left side steps)  
 Side electric exit doors (2)  
 Stainless steel deck equipment  
 Stainless steel deck hardware  
 Stereo loudspeakers (2) in the cockpit  
 Sunlounge pad at bow with sunbathing cushions  
 Teak deck and cockpit floor  
 Washing with salt water  
 Wheelhouse windows, openable on the sides

**Flying Bridge**

Automatic Dual Station pilot Raytheon ST6002+  
 Car-Stereo CD with watertight panel and 2 loudspeakers  
 Chart/plotter (Geonav) LCD Colour 11"  
 Cigarette lighter outlet 12V  
 Cocktail cabinet with sink, fridge, electric cooking top 230V and lockers  
 Cover for helmsman seat, bench and coach  
 Detachable and directable spotlight  
 Electrical operated fully directable forward searchlight  
 Electrohydraulic davit for lifting and launching of tender from Fly and lazarette (capacity load kg. 400)  
 Electrohydraulic powered steering  
 Electronic compass Raytheon ST60+

Electronic controls for engine clutch and throttle  
 Electronic digital chain counter  
 Flag pole  
 Helmsman bench seat (2 seats)  
 Instrument panel with electric opening  
 Life jackets (16)  
 Liferails for 16 people (8+8)  
 Liferings (2); 1 hoses with light buoy and floating rope  
 Lights on the Fly  
 L-shaped sofa, forward looking  
 Plexiglass and stainless front deflector with side panels  
 Railing  
 Roll bar in fibreglass (Hard Top in fibreglass with canopy with electric movement optional)  
 Rudder angle indicator  
 Salon and cockpit stairs skylight  
 Second control station with instrument and alarms  
 Signal/flag mast  
 Sofa with tables (2) and extension  
 Sunlounge pad at bow with sunbathing cushions  
 Sunlounge pad at stern with sunbathing cushions  
 Tender L=360cm with instrument panel and helm with 30 HP engine  
 Tridata Raytheon ST60+ repeater (Depthsounder, speed Log and water temperature)  
 TV Antenna  
 VHF

**Salon**

Aft sliding door and window, both with stainless steel frames  
 Cabinets with shelves  
 Cooler with drawer lt. 75 24V  
 Corner furniture (2)  
 Curtain with wrinkle finish on aft window  
 Dolby Surround System Hi-Fi Bose Life Style 38 with 5 loudspeakers+subwoofer and 2 loudspeakers in the cockpit  
 "Frau" sofas (2) and armchair with leather structure and fabric cushions  
 Fully fitted carpet with soundproofing rug underneath  
 Low tables (2) in the corners of the sofas  
 Pouf-table in leather with wooden tray and bottle rack in the middle  
 "Roman Style" curtains on side windows  
 TVC LCD 32"

**Dining area**

Cabinets with shelves  
 Complete set of ceramic crockery and plates, glasses and stainless steel cutlery for 12 people  
 Curtains "Roman Style"  
 "Frau" leather chairs (8)  
 Fully fitted carpet with soundproofing rug underneath  
 Shelves and lockers  
 Wooden rectangular shaped table

**Day head**

Washbasin with marble counter top  
 Floor in mat teak and marble  
 Mirror  
 "Venetian" blinds, wooden  
 Electric ceramic WC (with fresh water)  
 WC control panel with gauge (3/4 and full)

**Lobby**

Fully fitted carpet with soundproofing rug underneath  
 Side electric exit door  
 Stairs to the Fly  
 Steps to the cabins

**Bridge**

Automatic pilot Raytheon ST7002+ with interface  
 Barometer, clock and hygrometrometer  
 Chart/plotter Geonav Multy LCD Colour 15" with GPS  
 Cigarette lighter outlet 12V  
 Control station with full instrumentation (BlueLine Comfort)  
 Ecosounder colour in Navnet monitor display  
 Electronic controls for engine clutch and throttle

Electronic digital chain counter  
 Fully fitted carpet with soundproofing rug underneath  
 Helmsman seat with electrical movement  
 Hydraulic steering electrically powered  
 Instant parallel battery  
 Integrated system for managing and monitoring of the electric system (NAVIOF) with 15" touch-screen display  
 Loudspeakers (2)  
 L-shaped leather sofa with table  
 Magnetical compass  
 Monitor TVCC in Naviop  
 Radar 48 miles with display LCD 15"  
 Radio-telephone SSB (Furuno)  
 Rudder angle indicator  
 Synoptic panel  
 Telephone interface GSM/GPRS/FAX/PCDATA  
 Tridata Raytheon ST60+ (Depthsounder, speed Log and water temperature)  
 VHF  
 Windshield wipers with washers (3) and timer

**Master cabin**

2 Bedside tables with 2 drawers  
 Bench with locker underneath the window  
 Bookshelf  
 Curtains "Roman Style"  
 Double bed with mattress, pillows and bedspread  
 Double soundproof bulkheads (2) between master cabin and crew area  
 Drawers underneath the bed  
 Dressing-table with chest of drawers, shelves and chair  
 Electric blinds for glass partition in master/bathroom  
 Fixed window with 2 openable portholes in stainless steel with roll-up blind  
 Fully fitted carpet with soundproofing rug underneath  
 LCD colour TV 20"  
 L-shaped sofa  
 Mini Hi-Fi system with 5 loudspeakers+subwoofer  
 Reading lights  
 Upholstered bed headboard  
 Ventilation under the bed  
 Walk-in wardrobe with mirror and safe deposit box with manual combination lock

**Master bathrooms (2), fore and aft**

Ceramic bidet (only in aft bathroom)  
 Electric ceramic WC (with fresh water)  
 Emergency exit from the ceiling (only in fore bathroom)  
 Floor in mat teak and marble  
 Mirror  
 Overhead lockers and shelves  
 Stainless steel openable porthole  
 "Venetian" blinds, wooden  
 Washbasin with marble counter top  
 WC control panel with gauge (3/4 and full)

**Central master bathroom**

Bath tub (hydromassage, optional)  
 Fixed window with 2 openable portholes in stainless steel with roll-up blind and waterproof cover  
 Floor in teak, mat finishing  
 Separate shower for 2 with a sliding plexiglass door  
 Sliding doors (2) to separate bath and shower from the bathroom

**VIP guest cabin at bow**

Cabinets  
 Chest of drawers (2) under bed  
 Curtains "Roman Style"  
 Double bed with mattress, pillows and bedspread  
 Escape hatch with sliding cover  
 Fixed armchairs (2)  
 Fully fitted carpet with soundproofing rug underneath  
 Headboard mirror over bed  
 Mini Hi-Fi system with 3 loudspeakers+subwoofer  
 Reading lights  
 Shelves  
 Stainless steel openable portholes (2) with covers

TV- and 230V outlet  
Ventilation under bed  
Walk-in wardrobe with mirror and safe deposit box with manual combination lock

#### **Central guest cabins (No. 2)**

Beds (2) with mattresses, pillows and bedspreads  
(3rd folding bed optional)  
Bedside table with 2 drawers  
Curtains "Roman Style"  
Drawers (2) underneath beds  
Fully fitted carpet with soundproofing rug underneath  
Headboard mirror over bed  
Mini Hi-Fi system with 2 loudspeakers+subwoofer  
Reading lights  
Shelves  
Stainless steel portholes (2) with covers  
TV- and 230V outlet  
Ventilation under bed  
Wardrobe with mirror inside

#### **Guest bathrooms (No. 2) and VIP bathroom**

Ceramic bidet  
Electric ceramic WC (with fresh water)  
Floor in mat teak and marble  
Mirror  
Overhead lockers and shelves  
Separate shower with door in tempered glass  
Stainless steel operable porthole  
"Venetian" blinds, wooden  
Washbasin with marble counter top  
WC control panel with gauge (3/4 and full)

#### **Crew Cabins (No. 2)**

Bedside table with 2 drawers  
Drawers (2) underneath bed  
Folding single bed (upper) with mattress, pillows and bedspread (optional in the night cabin)  
Fully fitted carpet  
Plissé curtains  
Single bed with mattress, pillow and bedcover  
Stainless steel operable porthole with cover  
Wardrobe with mirror inside

#### **Crew toilet (No. 2)**

Curtains  
Electric ceramic WC (with fresh water)  
Floor in teak, mat finishing  
Mirror  
Overhead lockers and shelves  
Shower  
Stainless steel operable porthole  
Washbasin  
Waste water level gauge

#### **Crew dinette**

Ceramic cooking top with 2 rings with pan-holder and fan  
Fridge 60 lt. 230V (24V through inverter)  
Fully fitted carpet  
Granite counter top with sink  
Opposite sofas (2)  
Table  
Various lockers  
Washing machine with dryer (independent drying machine optional)

#### **Galley**

Car-Stereo CD with 2 loudspeakers (+ 2 loudspeakers in wheelhouse)  
Central cabinet with granite counter top  
Ceramic cooking top with 4 rings with pan-holder  
Complete table set for 4 people (crew)  
Cupboards  
Dishwasher for 12  
Electric/microwave combined oven  
Electrical panel  
Extractor fan ducted externally (230V)

Fridge "side by side" 594lt 230V (24V through inverter)  
Garbage compactor  
Granite counter top with 2 sinks  
Overhead lockers  
Rubbish crusher  
Salt and fresh water outlet  
Side electric exit door  
Wooden floor

#### **Forepeak**

Anchor chain lockers (2)  
Fire extinguisher outlet hose with remote control and pumps  
Inspection hatch  
Salt water outlet with hose for chain washing  
Tube for hanging mooring lines  
Winch push-button controls

#### **Lazarette**

Electrohydraulic door with teak inside  
Housing for bottles of the CO2 fire-fighting system and compressor  
Housing for Glendinning  
Hydraulic emergency power steering  
"Marpol" connection for bilge oily water drainage (only with Italian registration)  
"Marpol" connection for waste water drainage

#### **Engine room**

Air intakes with closure commanded from the fire fighting system  
Anti Rolling Gyro Mitsubishi (2xMSM-4000)  
Auxiliary electric generator 20000W  
Bilge pump  
Change over valves (2) to allow the engines to pump water from the bilge  
Colour cameras (2) CCTV  
Double engine filters (with CR engines)  
Electric blowers (2) with closure commanded from the fire fighting system  
Fixed fire extinguishing system with CO2 with remote control from the cockpit  
Fresh-water outlet for filling and washing  
Inspection lights  
Main electric generator 27000W  
Portable lamp  
Racor generator filter  
Raw water engine filters (2)  
Tool kit, if supplied by engine manufacturer  
Transparent gauge indicator in the fuel tank  
Watertight bulkhead abaft  
Watertight door with access from the garage

#### **Systems room**

Fire extinguishing pump (2)/bilge and respective tubes  
Main electric display board  
Water maker 130 lt./h  
Watertight door with porthole with access to engine room  
Watertight bulkhead ahead and abaft  
Watertight door from crew area  
Workshop bench fitted with vice

#### **Equipment**

Air conditioning throughout (120.000 BTU/h)  
Anti Rolling Gyro Mitsubishi (2) MSM-4000 + MSM-4000  
Auxiliary bilge pump system with electro-automatic diving pump (of which 5 are automatic)  
Cathodic protection with zinc anodes on the shafts and flaps  
Centralized bilge pump system with 1 electric self-priming pump, manual emergency pump with 5 cocks (bow-crew area (2), engine compartment, lazarette)  
Electric system consisting of:  
100A 24V automatic battery charger (2, separate for engine batteries and service batteries)  
150 Ah 12 V emergency gel batteries for SSB, engine electronic and navigation lights (4)  
185Ah 12V auxiliary generator batteries  
185Ah 12V main generator batteries  
24V lighting throughout

555Ah 24V engine starting batteries (6)  
75A 24V automatic battery charger for emergency batteries  
925Ah 24V bank of batteries for service (10)  
auxiliary generator 20000W  
battery disconnecting switches  
electric outlets 230V throughout  
instant parallel battery  
inverter 24Vcc/230Vca 3000W for fridges  
inverter 24Vcc/230Vca 5000W for services  
main generator 27000W  
triple-monophasic transformer 380V-230V power supply  
Electric WC system with fresh water  
Electrohydraulic powered steering  
Fire extinguisher system with salt water pumps with electric pump and manual emergency pump (2 intakes for hoses on deck)  
Fire extinguishers  
Fixed fire extinguishing system with CO2 for engine room and systems compartment  
Fresh water system with autoclave 230V  
Fresh water system with autoclave 24V  
Fresh water tank lt. 1320  
Fuel tank in structural fibreglass lt. 9000 with settling tank discharge  
Glendinning 100A 380V 3 poles+ground (20 mt)  
Grey water tank 330 lt.  
Holding tank 330 lt. with gauge (3/4 and full)  
Hot water system with water heater 230V (2) and circulation pump  
"Marpol" connection for bilge oily water drainage (only with Italian registration)  
"Marpol" connection for waste water drainage  
Remote engine and generator shut down  
Salt water system with autoclave 24V for galley  
Shore plug 32A (secondary) 230V  
Shower sump pump with automatic electric pump (interchangeable with waste waters)  
Smoke detection alarm in the engine room  
SSB (supplied by the emergency batteries)  
Stuffing box with dripless shaft seal  
Trim tabs (Flaps)  
TV/Telephone shore supply  
Underwater exhausts  
VHF (2)  
Waste water sump pump with automatic electric pump (interchangeable with clear waters)  
Water heater 160 lt. (2x 80 lt.) 230V

#### **Main options**

Electro-hydraulic bimini top  
Hard Top in fibreglass with electric canopy  
Hydraulic stern thruster (58HP)  
Hydromassage bath tub, heated on flybridge  
Spare propellers  
Spare shaft  
Third control station in cockpit
